Subject: December 10, 2018 Request for Public Records

Dear Mr. Kaufman:

This is in response to your California Public Records Act request for “documents pertaining to the 16 April 2013 attack on PG&E's Metcalf substation near San Jose, CA.”

The California Governor's Office of Emergency Services (Cal OES) acknowledged your request on January 4, 2019, upon learning your initial and follow-up emails were captured in a SPAM folder. Cal OES confirmed via email that a response would be provided by January 25, 2019.

Cal OES has searched its records and determined it maintains records responsive to your request. The records are being reviewed for material that is confidential, privileged, or otherwise exempt from disclosure pursuant to the California Public Records Act. Cal OES expects to release disclosable records on or about February 8, 2019.

Should you have any questions, please contact me at pra@caloes.ca.gov or (916) 845-8968.

Sincerely,

Ryan Gronsky,
Senior Counsel
